TUTTI IN 'MISSION IGNITION' AT THE ADELAIDE ENTERTAINMENT CENTRE

If you have become a fan of Tutti and its unique performances, you will be inspired by Tutti's involvement in 'Mission Ignition – Adelaide Celebrates World Youth Day'.

Through a series of workshops led by Tutti's Artistic Director, Pat Rix, a group of 15 young people with disabilities have contributed to the writing of a song to be performed as part of a performance with the large Tutti Choir at the 'Mission Ignition' concert at the Adelaide Entertainment Centre on 10 July, 2008 .

Tutti is conducting the 'Sing for Life' Project which aims to celebrate and promote awareness of the abilities and achievements of young people with disabilities. This experience is affording all involved an unprecedented opportunity to discuss themes important to themselves and humanity in general.

Now a key producer with the Australia Council and one of Australia's leading community arts organisations, Tutti is acclaimed for its concerts and original musical theatre works both in Australia and overseas. Its performances have featured in both the Adelaide Festival of Arts and the latest Fringe Festival.

" Tutti is a pioneer in providing a career in the performing and visual arts for people with a disability through Tutti Arts, a day options program run in partnership with Minda Inc." said Pat Rix, Artistic Director for Tutti.
